### Current Students Register Now for 2019-2020

The Mtn. Home School District will begin registering returning students for the 2019-2020 school year, beginning Wednesday, May 1<sup>st</sup> on-line. If your student attended any of the Mtn. Home schools this year, you can log into your Parent Portal to update information throughout the month of May. To find the Parent Portal site, go to [www.mtnhomesd.org](http://www.mtnhomesd.org) and click on the Parents and Student tab. Then choose "Powerschool Parent Portal" from the dropdown list. If you are unsure of your Parent Portal username and/or password, you can follow the "Forgot Your Username or Password" directions on the site.

Once you log in, you will be asked if your student is returning to the MHSD and which school he/she will be attending. You will then update the contact information, emergency contact information, and emergency messaging contact information. Once you have completed these tasks, your student will be considered registered for the 2019-2020 school year. You will need to complete these steps for each of your returning students.

If your student is not returning to the MHSD, then you will answer "No" to the first question and document where they will be attending. This will help us know who is returning and who is not, however, please let the school know in person as well, so we are sure to send records to his/her new school.

### New Students to MHSD

Do you know any new families in Mtn. Home who are planning to register their children at Stephensen?
